Les on the Line

The importance of last weekend's win at Huddersfield cannot be over stated. After a dreadful January, in terms of both league and cup results, we certainly made a great start to the new month at Leeds Road.

From a personal viewpoint it was nice to go back to an old club and record a win, but far more important was the effect of a good display on the players and the supporters.

We were value for the win even though they probably had better scoring chances than us. We were rewarded for our effort, enthusiasm and ability to strike on the break.

The team has been chopped and changed in recent games, some of it forced on me by injuries and some of it out of choice.

I don't particularly like that policy but when things are going wrong you have to try anything and everything to turn the tide.

An away win - especially over such a strong side - can only be a tremendous boost for everyone at the club and in the next few days we have the chance to build on that victory.

Today's opponents Fulham and Tuesday's visitors Hull City are also looking to pull clear of the bottom section, but we must set our stall out to take six points.

If we can achieve that objective then the season could take on a completely different look.

It was great to see our travelling fans in such good voice last week, they haven't had much to cheer on their travels this season. Hopefully it is the start of better things.

From The Boardroom

In the light of recent criticisms, many of which have been based on inaccuracies and misapprehensions, we would like to take this opportunity to respond.

Newspaper headlines have suggested the following examples on one issue -

"Crisis. Star Striker Shocker. Thomas Sacked. JT sent packing!"

It is totally untrue that Thomas was "sacked". Very shortly after being signed, he suffered an injury which kept him out of football for over a year. During this period, his wages were of course paid by the Club. It would have been both reckless and irresponsible for North End to have offered him a new contract until such time as he had demonstrated that he was fit for professional football. Eventually, he was offered an 18 month contract but rejected the offer. Thereafter, he was on a series of short contract and ultimately, it was decided that with the knowledge of the player's demands, such short term arrangements should not continue. Even though he suffered a three match ban and had not been available to PNE, JT was still given an extra month in which to find himself an alternative Club. We submit that no employee in any occupation, when offered a contract to stay can consider that he or she has been sacked.

The question of Ian Bogie has also been mentioned in various letters. For the avoidance of doubt, Ian Bogie made it

clear when offered a new Contract at the end of 1990 that he did not intend to stay at Deepdale and he never changed his mind on this point. He remained at the Club for several months following his decision only because no other Club made an approach for his services. Bogie and his agent then negotiated a deal with Millwall. The fee was the subject of a Tribunal decision which North End were compelled by Football League rules, to accept. There is absolutely no question of Bogie ever having wished to remain at the Club once he had made clear his intention to leave.

Details of the Club's finances are to be found in the Accounts presented to the Annual General Meeting each year. At the AGM held in December last year there were no representatives of press or radio present, an occurrence which regular attenders cannot recall having happened before. At the meeting it was made clear to shareholders that the Woodhouse Group had so far injected a significant capital sum into the Club and without this North End would have faced liquidation. Substantial losses are incurred each month because there is an adverse balance between income and expenditure and this loss has to be off-set by income from the Commercial Department and cash injections by the Directors augmenting the gate receipts.

The Directors have to be constantly alert and mindful to a whole host of matters which require attention. Some of these are listed below, but the list is by no means exhaustive.

(a) The Club has to comply with the Taylor report which will

involve, in the not too distant future, a huge financial outlay on the stadium. At the present time for an average game the cost of opening the ground is £2,500 to £3,000.

(b) The need of the Club to own the stadium or to acquire a long lease prior to incurring any further expenditure on substantial ground alterations.

(c) The Contracts of several players expire at the end of the present season. Provision has to be made if the Club wishes to retain the registrations of any of the players in question.

(d) It is illegal for the Club to incur debts which it has no reasonable prospect of paying. As much as the Team Manager would wish to acquire the services of several new players quite apart from the fact that such players may not be available or that an enquiry has revealed an exorbitant and unrealistic financial requirement, he has to be aware of the financial position and therefore the majority of the suggested acquisitions are fanciful to say the least.

Supporters will of course be aware of the horrific injury problems suffered by the Club this season (as well as last Season) and the relevance of this factor is too often ignored. Even successful teams when affected by this problem have not been able to find the answer even with cash available.

Had the Team Manager been able to select from a fully fit

squad of players throughout the Season then there is no doubt that PNE would be challenging for a top place.

Reference must be made to a recent press report on the reserve match against Hull City. Normally, following a telephone call to Deepdale the morning after the match reports of Reserve matches are restricted to two or three lines. If, however, these games had been attended more often then no doubt supporters would be made aware that players like Lee Ashcroft, Martin James, Lee Cartwright and others did not simply 'appear' from nowhere in the first team, but made steady, pleasing progress through the Youth 'A', 'B' and reserve teams and that Martin James was no stranger to the position of sweeper. The Club's youth policy has been developing over a number of years and surely even the most critical supporter must welcome the fact that so many good players have emerged from this policy.

The Board hopes that the information in this article will make the position of the Club clearer and fans can be assured that no efforts will be spared to ensure the continuing success of the youth policy and with it success in the newly formed League structure.

If you wish to comment on any matter concerning PNE then please write to us via our matchday magazine at: Deepdale Update, PNE F.C., 308 Deepdale Road, Preston, PR1 6QB.

PNE Postbag

Below is a copy of a letter sent to the Lancashire Evening Post for last weekend's newspaper.

The unedited letter is printed here with the LEP version alongside.

We are delighted to receive any letters on PNE matters - if you have something to say or ask then write to us at:

Dear Sir

Is it my imagination or does the LEP have a real downer on PNE? As a proud Prestonian and very strong North End supporter, recent coverage of Deepdale events has certainly left me wondering as to the attitude of the LEP management.

While no one would argue that everything in the PNE garden is rosy, ALL the articles seem to portray a negative approach to the town club from the town newspaper.

The anti-PNE campaign is nothing new, but it does appear to have become more and more intense. Let me offer a few points:

1. The coverage of the John Thomas saga (especially Wed 22nd) was incredible, even hysterical. While the player will always be remembered with affection by fans there can be no doubt that at 33 his best days have gone. The club was seen to be very fair with the player during his absence with a broken leg, very very fair during the first few months of his comeback and very, very very fair to then offer him a contract.

The player it would seem, was pushing for 'extra cash' before signing. North End were quite right not to bow to such demands and as such a free transfer materialised. What's wrong or so new or so earth shattering about that? It happens somewhere everyday; but the LEP then run a totally biased and one sided account full of sympathy for the player.

Was it not your confused correspondent Brian Ellis who penned some weeks ago that the strike force - including Thomas - was pathetic in terms of performance and goals scored? Make up your minds LEP.

2. Where's the money gone? Well, with close on 30 playing staff on the books, it doesn't take a genius to get the wage bill to upwards of £10,000 a week. Gates are down so income is down. Surely the LEP employs an accountant, although judging by its comments you would wonder. News that PNE are planning a clearout in the summer is very welcome.

3. PNE introduced a 'Pick-me-up' scheme earlier this year designed to give a special treat to unfortunate or injured children. It's launch - a great success - won a full front page coverage in The Citizen but nothing in the LEP. Why on earth not? Or is good news out of the question in your pages these days?

4. Let me ask Mr Ellis if Manchester United would operate quite so successfully if they were without Schmeichel, Pallister, Robson, Hughes and Giggs for several months all at the same time? The answer is of course they wouldn't so why then does Mr Ellis think PNE can without Kelly, Flynn, Joyce, Jepson and James?

5. All the fans have chanted long and hard for changes on the Board of Directors. When we see that happen the LEP homes in with sympathy stories on the ex-directors - the very same people the newspaper had previously been slagging for non performance!

In conclusion it would seem that PNE is wrong when taking action and wrong when not taking action. The club cannot win and, as a result, readers are getting a badly-balanced view.

Has the newspaper withdrawn completely any support for the club - it sure reads that way. I, for one, get the impression that the Post hierarchy actually enjoys seeing the club struggle - how sad.

Copy sent to Deepdale for use in programme.
Yours faithfully
D. Shaw.

Make A Date

We would like to give notice to a couple of significant dates in our forthcoming fixtures.

Firstly, our third division game with Birmingham City here at Deepdale has been the subject of a date change on police advice.

The game, originally scheduled for Easter Monday afternoon, will now be staged on Tuesday April 21st with a 7.30pm kick-off.

Secondly, supporters keen on following the fortunes of our youth team should note that we have now arranged our eagerly-awaited LFA Youth Cup semi-final clash with Burnley.

The tie will be staged at Turf Moor on Monday, February 17th with a 7.15pm kick off.

Today's Mascot

Michael Starkie aged 12 years.

His favourite PNE players are Warren Joyce and Alan Kelly. Michael's other favourite players are Paul Gascoigne and Lothar Matheus. His hobbies are football, cricket, music, art and scouting.

Tribute To A True North Ender

Just before our programme for the game against Exeter City went to print we heard of the death of ex North End William Luke and only had time to include a short reference on the front cover. We now take the opportunity to pay a fuller tribute to William Luke who died on New Years Eve having celebrated his 101st birthday on 17th December. Whilst news of his death was received with great sadness there was solace that he died peacefully and without prolonged suffering.

Billy Luke was at Deepdale from 1912 to 1914 and full details of his career were given in our programme for the game against Stoke City on 22nd December 1990 which was five days after he celebrated his one hundredth birthday. On

that occasion North End sent him a card signed by the President and all the Players and a team photograph taken in 1912 and both these presents he proudly displayed in his home in Amble, Northumberland. Other memorabilia of which he was proud he received in 1988 when the centenary of the Football League was celebrated and he was recognised as the oldest living ex Football League player. He last visited Deepdale in April 1987 when he vividly recalled memories of his playing days.

We put on record the pride and pleasure we have in having known this fine gentleman and are proud that he had been a North Ender.

FULHAM F.C.

RAY LEWINGTON Coach. Ray has been with Fulham, with the exception of a 12 month stint at Sheffield United in 1985-86, since March 1980. Born in Lambeth in September 1956, he signed for Chelsea in 1974 and then had spells with Vancouver Whitecaps (1979) and Wimbledon (1979-1980) before coming to the Cottage.

GRAHAM BAKER Graham signed for Fulham in August 1990. An experienced mid-field player, he has played most of his football in the First Division and has won England representative honours, playing twice for the U21's in 1980. Born in Southampton in December 1958 Graham joined his hometown side straight from school at 16. After 5 seasons at the Dell and 123 outings Graham moved to Manchester City for £200,000 in August 1982. He made 134 appearances for the Maine Road Club before returning to Southampton in June 1987.

GARY BRAZIL A signing from Newcastle United for £110,000 in October 90. Gary was born in Kent and joined Crystal Palace as an apprentice in 1978. He moved on to join Sheffield United in 1980 where he was a regular until signing for Preston in 1985.

GARY COBB Gary is in his second season at Craven Cottage, following a successful trial period. Gary was born in Luton and started his career at Kenilworth Road, making nine first team appearances. A promising right winger.

JEFF ECKHARDT Born in Sheffield in October 1965, Jeff joined Sheffield United straight from school in 1984. He made 85 appearances for the Blades before being signed by Ray Lewington, a former teammate at Bramall Lane, for £50,000 in November 1987.

MARTIN FERNEY Martin graduated to the professional ranks from the youth team last Summer. He made his league debut at Shrewsbury Town in September 1990 and went on to make twelve appearances before a nagging shoulder injury ended his season. A competitive midfield player.

KELLY HAAG Kelly joined the staff at Craven Cottage after being released by Brentford at the end of the 1989-90 season. Although a prolific scorer in Brentford's Youth Team, Kelly was never given a real opportunity in the first team.

MARK KELLY A close season signing from Cardiff-City for £31,000 in 1990, Mark is a 24 year old left-sided midfield player. Born at Blackpool in October 1966, he signed for Shrewsbury in December 1985 but moved on to Cardiff City in July 1987 before making a first team appearance.

JOHN MARSHALL One of Fulham's most reliable and versatile players, John had a benefit season in 1989-90 after 10 years with the club. Born in Balham in August 1964, he signed for the Cottagers in June 1980, and has been a regular choice since making his debut in September 1983. John has, of the current squad, made the most appearances for Fulham.

SIMON MORGAN Another defender signed in October 1990 from Leicester City for £102,000. Born in Birmingham in September 1966 Simon travelled to the East Midlands to join Leicester City on the YTS in November 1984. In less than 12 months he was in the first team making his debut at Coventry in 1985.

GAVIN NEBELING A South African born central defender, 27 year old Gavin started his career with Arcadia Shepherds before coming to England for a three month trial with Aston Villa. In 1981 he signed for Crystal Palace and made 158 + 6 appearances for the South London club before his £80,000 move to Fulham in the 1989 close season.

MARK NEWSON Mark Newson was signed from AFC Bournemouth in March 1990 for £125,000. A Londoner, born in Stepney in December 1960, his first club was Charlton Athletic where he spent two years as a junior between 1978 and 1980 without making the first team. Mark then dropped out of the League to spend two years with Maidstone United before being signed by AFC Bournemouth in May 1983.

STACEY NORTH Signed from West Bromwich Albion in October 1990 for £130,000. Born in Luton, Stacey joined his local club as an apprentice in August 1982 when he won England Youth International Honours. He made his League debut in 1983/84 going on to make 29+1 outings for the Hatters over the next three and a half years. In December 1987 he moved to West Brom for £100,000 where he had been a First Team regular making 107 appearances before joining Fulham.

DANNY O'CONNOR This is Danny's first season as a Professional having graduated from the youth team. He is an aggressive midfielder who won two Eire under 19 caps last season, and only injury kept him out of the World Youth Cup in Portugal last summer.

UDO ONWERE This 19 year old midfielder, made a big impression on the first team last season after making his debut against Grimsby in April. Another product of the youth policy.

MARTIN PIKE Martin moved south from Sheffield United to Fulham in February 1990 for a £60,000 fee. A left back, he hails from South Shields, and began his career as an 18 year old with West Bromwich in October 1982. In the 1983 close season he moved to Peterborough where he made 137+7 appearances in three seasons. Ever present last season.

STEPHEN ROCASTLE This 19 year old midfielder joined us after being released by Norwich City at the end of the 1989-90 season. His brother is the Arsenal and England player David. Stephen is yet to break into the first team at Craven Cottage.

PETER SCOTT Shared a benefit season in 1989-90 with John Marshall to mark 10 years service with Fulham, Peter is a ball-winning midfield player. Born in Notting Hill in October 1963, he was an England schoolboy trialist and signed for Fulham after a week's trial with Manchester United. Made his debut in October 1981 and has been a regular, injuries permitting, since 1983/84.

JIM STANNARD Now in his second spell at the Cottage, goalkeeper Jim was signed from Southend in the 1987 close season. Born at Harold Hill in October 1962, he played for Ford United before signing professional for Fulham in 1980. He had 45 games in his first spell at the Cottage, and loan periods with Southend and Charlton Athletic, which were followed by transfer to Southend in 1985. After two successful seasons at Roots Hall, he was back at the Cottage in 1987.

GLEN THOMAS Another product of Fulham's youth policy, Hackney born Glen joined the club on the YTS scheme as a 16 year old junior in August 1984. He signed professional in October 1985 and two years later was a first team regular. A tall stylish left back, Glen has also played at the centre of defence.

MARK TUCKER A tall centre half who moved up from the youth team to the professional ranks in the close season of 1990. He had an excellent season for the reserves last year, but has yet to make his first team debut.

JOHN FINCH 25 year old John is a central defender and joined Fulham from non League Dorking in December 1990. He made his first team debut at Bolton Wanderers in March 1991 and was on the substitutes bench on several occasions.

Meet the Manager...

DON MACKAY was appointed manager of Fulham at Christmas, taking over from caretaker Ray Lewington. The Craven Cottage hot seat had earlier been vacated by former Bristol City boss Alan Dicks. No sooner had Mackay taken over than Fulham scored a sensational 3-2 win at West Brom and rumours started that Mackay was a target for Sunderland. Mackay started the season in charge of Blackburn Rovers, before being replaced by Kenny Dalglish and Ray Harford.

...and the Referee

ALAN DAWSON (Jarrow).

A 43 year old sales manager, Alan started refereeing in the Royal Air Force during the '60's.

Promoted to full list in 1988 he was linesman at the Simod Cup Final of the same year.

Married with two children, his other interests include swimming, golf and squash.

He was President of the Association of Football League Referees and Linesmen last season.

LIGHTNING STRIKE

A lightning strike hit Huddersfield Town's pre-match preparations at Shrewsbury. The team arrived at a local hotel for the customary light meal prior to their Barclays League fixture at Gay Meadow to be informed that the catering staff were taking industrial action and had walked out.

The Terriers were undeterred, however, earning a 1-1 draw against John Bond's team to maintain their promotion challenge.

ALEX SPARK COLLECTION

Alex Spark who many supporters will remember from his North End playing days (1965-1976) has recently been suffering from a severe arterial disease. As a result he had to have both his legs amputated last year. During half time today members of the Official Supporters Club will be taking a collection on all parts of the ground. We hope to send Alex a useful contribution to making his life easier. We hope you will give as much as you can manage. Postal donations can also be made to PNEOSC, c/o Executive Box 15, PNEFC, Deepdale.

Alex Spark was born in Stenhousemuir on 16th October 1949 and was spotted playing as a schoolboy by the late Jimmy Scott who was North End's Chief Scout in Scotland and whose record of finding good young players was second to none. Alex came to Deepdale as an apprentice when he was 16 and was signed professional on 3rd November 1966 just after he had turned 17. He was at Deepdale for 11 seasons and served North End loyally as a defender and with a first class standard of consistency. One of his strengths was in "man marking" and when asked to undertake this task then fans knew that Alex's tenacity and concentration would on most occasions prove successful. The writer well recalls one game in September 1971 when North End played QPR at Loftus Road and Alex was given the job of marking Rodney Marsh who at that time was posing many problems for his opponents. The man marking plan worked well and though QPR won 2-1 the part played by a very frustrated Rodney Marsh was minimal.

Below are details of Alex Spark's career at Deepdale and for these we thank Ian Rigby who once again has helped by extracting information from his records.

Reserve Round Up

PONTIN'S LEAGUE DIVISION TWO MONDAY 6th JANUARY 1992

v MIDDLESBROUGH RESERVES AWAY LOST 0-2

The Preston North End Reserves kicked off the New Year with a visit to Ayresome Park needing points to get themselves out of the bottom three in the table. The home side were comfortably placed half way up the League.

With the serious injury situation at Deepdale, North End fielded a very young inexperienced side which included seven apprentices, one first year and six youngsters in their second year. Preston always find Middlesbrough a tough nut and a goal in each half by the North East side saw them through to complete the double over North End.

PRESTON NORTH END RESERVES: Bagnall, Moylon, Siddall, Eaves, Burrow, Lambert, Flitcroft, Kerfoot, Finney, Burton, Close - Subs: Hindle (for Kerfoot 77 mins) - Hall (for Close 77 mins)

PONTIN'S LEAGUE DIVISION TWO TUESDAY 14th JANUARY 1992

v OLDHAM ATHLETIC RESERVES AWAY LOST 2-3

It isn't often these days that the Reserves play on the same night as the First Team, but North End agreed to Joe Royle's wishes to play on the scheduled date. The evening of our Autoglass Cup-Tie against Hull City.

It was another young North End outfit that tackled the strong Oldham side at Boundary Park. Star striker Andy Ritchie gave 'The Latics' a one goal interval lead, but the prolific Oldham goalscorer netted two more in the second half to complete his hat-trick. David Eaves scored both Preston's goals in a spirited performance.

PRESTON NORTH END RESERVES - Bagnall, Moylon, Siddall, Eaves, Burrow, Williams (C), Close, Hindle, Burton, Christie, O'Connor - Subs: Rimmer, Raywood (not used).

Refreshing the Memory with Mike Payne

Preston North End have not enjoyed the best of results against our old friends from Fulham over the past 32 years. Since 1960 we have won only nine of our 28 meetings with only five draws coming in that period. In fact we must be due a draw with them as there has not been one in our last 13 clashes.

One of our last wins in the First Division came against Fulham when, on the 11th February 1961 we won 2-0 here at Deepdale. The Londoners included two very well known names in their line-up that day in Jimmy Hill and Johnny Haynes but to give you some idea of the conditions I will quote from Walter Pilkington's match report in the Evening Post. It began, "Fulham kicked off in a sea of slush. Groundsmen had been forking the swamp almost up to the start, trying to rid it of standing water. Very soon it was going to be a stamina-testing quagmire." Who said plastic pitches were no good?!"

Obviously the conditions suited North End as, appropriately, Johnny Fullam gave us a first-half lead. Only 8,692, sacrilege in those days, a bumper crowd today, saw the match but at least they went home happy, especially as Dave Sneddon headed in Alex Alston's cross three minutes from the end to seal the points. Ten years later in 1971 that famous diving header by Ricky Heppollette stole the Third Division Championship from under the noses of Fulham by giving us a 1-0 win at Craven Cottage. Who will ever forget dear Alan Ball Senior's face at the end of that game.

If that was the high point of Alan Ball's Preston career then the fixture with Fulham at Deepdale in 1973 was the low point. An Alan Mullery inspired side beat Preston with ease with goals by Steve Earle, Les Barrett and Earle again all coming in the first half. Two matches later Mr Ball was sacked.

In October 1978 there was another eventful game between the two clubs when Preston crashed to their sixth successive league defeat at Fulham. Everything happened that day as Fulham won 5-3. Nobby Stiles, our manager, had to be physically restrained by Fulham's Bobby Campbell and the police over an incident that gave Fulham an equaliser at 2-2. Mick Baxter scored for both sides, his fourth own goal of that season, and there was enough incident to last a lifetime. For the record Fulham's goals came from Davies, Money, Lock, Guthrie and Baxter's own goal whilst Baxter, at the right end, Bruce and Coleman scored for North End. I have a lovely newspaper cutting of Nobby remonstrating with the Ref. Oh, the flares.....and the kipper tie! Those were the days.

Don't be surprised if today's game ends in a 1-0 scoreline. No less than 9 of the last 28 games have ended that way including all of the last three meetings. In September 1990 Adrian Hughes was our matchwinner heading a Jeff Wrightson pass over Jim Stannard. The following February it was Phil Stant who gave Fulham the points 15 minutes from the end, and earlier this season Simon Morgan headed the winner in the 41st minute. So it is our turn today!

TRIVIA TIME

During that game in 1961 the then Chairman of the Player's Union, Jimmy Hill was having an inconspicuous game. His first shot on the hour went wide and a wag in the crowd rose to this lapse with the remark, "Jimmy plays better on TV" He still does.....

TRIVIA TIME

In the Away game of 1960-61 we played in blue shirts and white shorts. Jim Langley scored from the penalty spot in Fulham's 2-0 win and North End played the last five minutes with ten men after Jim Smith was carried off injured.

TRIVIA TIME

In January 1980 the match at Deepdale was goalless with only 20 minutes to go. Suddenly goals started to rain in. Five in all as North End won 3-2. It was 3-0 with 8 minutes left but two goals by Fulham had us hanging on.

FEBRUARY 8th

The following is a selection of fixtures played by Preston North End on this date in years gone by.

1890 Away at Witton (Friendly)

 1896 Home vs Liverpool (Friendly)

 1908 Away at Bristol City (League)

 1923 Home vs Stoke City (League)

 Drew 1-1
 1958 Away at Chelsea (League)

 1975 Home vs Halifax Town (League) Won 1-0
 1977 Home vs Swindon Town (League) Won 2-0

In the 1923 game versus Stoke City, Tommy Roberts scored 3 goals bringing his PNE league goal total up to 78 in just 3½ seasons.

The largest crowd to watch us on this date was in 1958 when 42,704 saw us beat Chelsea at Stamford Bridge.

IAN RIGBY

May I wish a warm welcome to all our visitors from Fulham.

One rich seam of conversation at Deepdale for the past few months has been the new Police Control Box constructed on the east terraces. For a long time the Control Box has been in one of the rooms below the Pavilion Stand behind the pavilion Paddock. The accommodation was cramped and it was not always easy to operate from. Additionally, the control box would have had to be evacuated if an emergency situation developed in the Pavilion itself - not a far fetched scenario by any means. The new position allows control of any emergency in the ground. I suspect Prince Charles will not be coming to Preston to congratulate us on our awesome architectural achievement and I know similar sentiments have been aired by North End regulars. However, I don't think the Football Trust who financed the building would have had many letters of appreciation from their supporters if money had been spent on Wembley style white marble splendour; nor would many of us have been pleased if weather boards and corrugated iron had been used - especially when sensitive electrical equipment is fitted inside. I'd like to take this opportunity to thank everyone who has worked to get everything ready with no disruption to the fixtures.

Talking of disruption to fixtures, recently, some of you (purchasers of the Evening Post anyway), may have read Brian Ellis's column. He suspected all sorts of skulduggery over the timing of fixtures, especially over the Bank Holidays. I have to confess that the proposed fixture with Birmingham City on Easter Monday has now been re-scheduled to the following Tuesday, 21st April. This change was at the request of the police and it was asked for reluctantly. On Easter Monday both Moor Park and Avenham Park are going to be very busy with Guild Events. It was felt that public safety could not be guaranteed with a major fixture on at Deepdale at the same time. Many, many children will be on the park near Deepdale, one child injured, perhaps knocked over by a crowd of lads, could be one too many. I am still sincere when I say that our aim is to inconvenience the loyal North End fans as little as possible. However, if it's any consolation, families will be able to support the Guild events - remember it does only come once every 20 years. With a bit of luck (and many more away wins like the one at Huddersfield), the next home game against Birmingham City will be rather sooner than the next Preston Guild - and who knows, in the Second Division.

This afternoon's featured programme is from a friendly fixture played in 1949 against today's opponents, Fulham. The game came about because both teams had a free Saturday due to early F.A. Cup exits. Fulham had lost 0-1 at home to Walsall while PNE had lost 0-2 at Leicester City, who went on to reach the Wembley final.

For the friendly game, an 8-page two-penny programme was printed by Fulham, who were then a Second Division side riding high in the league table having just won their previous two home games convincingly by 6-1 vs Plymouth Argyle and 7-2 vs Bury. Preston lined up for this London friendly without Tom Finney, Bobby Beattie and Bobby Langton but had Jimmy Gooch (back after injury) and Bill Shankley in the side. Also included in North End's line up was Tom McVinish who never got to play

a league game for Preston. He came in at No. 11 in place of Langton. Fulham won the game 1-0. North End duly made 8 changes for their next game and beat Everton 3-1, but unfortunately PNE were relegated from Division One at the end of the season whilst Fulham were promoted into our place as Division Two Champions.

The programme itself has 50% of its space allocated to advertisements, three of which were trying to sell newspapers i.e. The West London Observer, The Fulham - Hammersmith Advertiser and The Fulham Gazette. Quite a bit of space was taken up by the 'half-time score board', as the public tannoy system was yet to arrive in soccer circles. The programme itself is not too common in these parts, I wonder if it is easier to obtain down South?

CLUB CHATTER

To-day we have as visitors to Craven Cottage the Preston North End Club in a friendly match. It is some years since we had the honour of entertaining this famous Club, the last occasion being in Season 1933/34 when we met in a Second Division fixture on December 16th. That season Preston and Bolton Wanderers ran neck and neck for second place in the League Table, being level after 41 games with 50 points. By winning their last match, and Bolton only drawing, Preston accompanied Grimsby Town into Division I. None of the players who represented Fulham in that match are now with the Club, but if the Preston side include Shankly this afternoon, this player also took part in that game. Our team lined up as follows:—Tootill, Birch, Tilford, Oliver, Gibbons, Barrett, Finch, Wood, Lambert, Hammond and Arnold. A grand goal by Jack Lambert gave us two points.

Their long and distinguished history would give material for writing page after page of the Preston Club's record. Winners of the Football League Championship (the first season of its formation

in 1888), eight times semi-finalists in the Football Association Cup Competition, five times finalists and Cup winners twice, is just a brief record of their great achievements, no wonder they carry the name "Proud Preston", and we are indeed happy to have them here as visitors to-day.

The League side were unfortunate last Saturday leaving two points behind at Blackburn. A goal by Arthur Stevens in the second half was disallowed by a Linesman, the Referee changing his decision after having signalled a goal. It was very disheartening to the team who had played such good football and really deserved both points.

We are pleased to note the improvement in attendances at our Combination matches. The reserves met Queen's Park Rangers here last Saturday and two goals by Wally Hinshelwood and one by Harold Wallbanks made our Combination Cup Record read:—Played 5, Won 5, Goals for 11, against 3, Points 10. They are Leaders of their Division, and are playing very attractive football.
